**TO WHOM IT MAY CONCERN**

Dear Sir / Madam

**WINDOWLINE PTY. LIMITED**

---

I write as a Strata Manager and refer to the abovementioned Company.

On behalf of several Strata Plans that I manage through this office, I have been authorised by my clients to appoint Windowline Pty. Ltd. to undertake works, mainly to replace windows / doors to apartment buildings, including one project that I was involved in which contracted over \$3,000,000.00.

During the contract works (which have been over at least the last 10 years), I have found Windowline Pty. Ltd. to be professional with their procedures, work ethics and very accommodating to my clients.

Any requests and outstanding issues after the works have been completed have been mostly resolved in a satisfactorily manner.

I would recommend Windowline Pty. Ltd., in particular, Mr. Gary Stevenson, the Director of the Company, to any strata scheme and or property owner looking to find a suitable contractor to undertake window / door replacement projects.

Yours faithfully,  
SOMERVILLE FIRST NATIONAL,

Maria Maire.  
Licensed Strata Manager.
